

**Allen Samuels East Texas Dodge/ Chamber of Commerce
 Charity Golf Tournament—April 25th**

Golf Tournament Name Changed

The Chamber of Commerce annual charity golf tournament received a corporate sponsor this week when Allen Samuels East Texas Dodge stepped up and agreed to be the corporate sponsor for the tournament. With the donation it all but guarantees that we will have another record breaking year for scholarship funding. The tournament will be played in a best ball format at Pine Springs Golf Club on April 25th with registration and lunch served at noon. Each player will receive lunch, range balls and a riding cart for the event. There is a long drive and closest to the hole contest as well as if any player makes a hole in one on a selected par 3 hole, they will win a free golf cart. This year we are having a tournament within a tournament for our area churches. Any four man team that are members from the same church will automatically be entered into the Chamber Church Challenge as well as the regular tournament. The low score among the churches will receive a beautiful trophy to serve as bragging rights for the year.

We would like to take the opportunity to thank Allen Samuels East Texas Dodge for their support and sponsorships for not only our charity golf tournament but also for our inaugural Riverfest on May 17 at River Park. These events would not be possible if not for their help.

Riverfest Update

Our inaugural Riverfest is continuing to boom with excitement and anticipation as more and more people are finding out about the upcoming May 17th event. If anyone is interested

in participating in the event you can go to www.maxxedoutsports to sign up. There are limited spots still available and we will cut off the sign-up list at 1500 participants so if you want to get muddy, c'mon out to River Park.

Chamber to Sponsor City Council Candidate Forum on the 24th

The Chamber of Commerce along with the Chandler Brownsboro Statesman will sponsor a City Council candidate forum on April 24th, at 6:00 pm in the Community Center. Early voting begins on the 28th. Everyone is invited to attend to hear the question and answer session with the candidates. Refreshments will be served. Steve Kimbley, editor of the Statesman will serve as the moderator. If you have a question that you would like to pose to the candidates you can submit it to the Statesman either by email or in writing. Each candidate will be asked the same questions. This will be a good way to see where each candidate stands on issues so you can make an informed decision when voting.

Chamber Day at the Airport

Our Chamber of Commerce will participate in Chamber Day at the Airport on Thursday, April 10th in the new Tyler Pounds Regional Terminal. There will be several area Chambers there distributing material and it is a good place to hand out info to incoming passengers. Due to the fact this it is on the same day as our regular monthly luncheon we will forego having a luncheon this month but will resume in May.

BMC Seeking Team Sponsors

BMC Youth Foundation is beginning its spring season this month and some of the teams are still looking for sponsors. If any Chamber member is interested in being a sponsor for one of the league teams please get in touch with the Chamber office and we will put you in touch with a league team.
