

Rescheduled Pow Wow Draws Thousands

For the first time in the history of the Pow Wow, the event had to be re-scheduled due to bad weather. The result was lots of sunshine large crowds and a lot of fun.

Thousands of people lined the streets for the parade and vendors sold their wares into the afternoon. BMC Youth Foundation had 15 ball games played that day that added to an already large crowd. The Chamber would like to thank everyone that lent a helping hand to make this year's Pow Wow a success.

Glow Run Lights Up the Night

The Chamber's first Glow Run saw over 200 runners adorned with glowing face paint and glow bracelets, necklaces, and eyeglasses run and/or walk a 3.3 mile course that wound its way through

Winchester Park, Ellis, Stonebriar and Winchester additions. Over 85% of the runners were from out of town so many new people got to visit Chandler for the first time. A portion of the money raised benefitted the American Cancer Society and Winchester Park improvements.
