

HAPPY 4TH OF JULY

Pow Wow Slated for October 10th

The annual Pow Wow parade and festival is slated for Saturday, October 10th this year at Winchester Park. Last year was the first time in the event history that it had to be rescheduled due to rain. The parade will once again begin at 10:00 am followed immediately by the arts and crafts fair. A couple of new attractions are being considered for additions this year and we will let you know once they are finalized. Several booth spaces have already been filled so if you are interested in a space please contact the Chamber office at 903-849-5930. Chamber members will receive a 10% discount off of their booth space.

TTAB District Baseball Tourney

The Texas Teenage Baseball Association will be holding its District 11 Baseball Tournament at Winchester Park beginning Monday, July 6th and running through July 10th for the 6U Boys. BMC Youth Foundation will act as the host sponsor. Eight teams from around the area will participate in the double elimination tournament with the winner advancing to State in Emory on July 20th. The Girls 8U District 4 tournament is wrapping up on July 3rd also at Winchester Park. BMC and the City have done an outstanding job making the Park a showcase for the tournament and our out of town visitors. If you have some free time, come out and grab some good concession food and support our youth as they participate in America's favorite pastime.

Fourth of July Fireworks Show

The Chamber of Commerce, Chandler Economic Development Corporation, the City of Chandler and the Chandler Historical Society have gone together to help put on a fireworks show for the 4th of July at Winchester Park. The concession at the Grand Pavilion will open at 6:00 pm and activities for the kids will kick off at 7:00 pm. A Children's parade will start at 8:00 pm followed by a large fireworks show at dusk. The concession will be serving watermelon, barbeque, hot dogs, ice cream and candy. Last year's estimates were close to 1,000 attendees and this year's show is bigger than last year so bring your lawn chair and come out and help celebrate our country's independence.

Monthly Luncheon

Our luncheon for the month of July will be held Thursday, July 9th at noon in the Community Center. San Pedro's will be catering our meal and a RSVP will be needed by Tuesday the 7th. Cost is \$10.00 per person payable at the door. Dr. Glendon Forgery, President of Trinity Valley Community College will be our guest speaker that day. Sherri Herrington has done an excellent job lining up interesting and informative speakers for our luncheons this year and Dr. Forgery is sure to continue the trend. Please make plans to attend and support our Chamber.

Business of the Month

Brookshire's has been selected as the Chamber of Commerce business of the month for July. Manager Mike Wilson and his staff can always be counted on to lend a helping hand when needed. Brookshire's has recently finished a complete make-over along with 10,000 additional feet of expansion

and a fuel station. There will be a Grand Re-opening on Wednesday, July 8th at 9:00 am in the Brookshire's Parking lot and the public is invited to attend the ceremony.
