

CONGRATULATIONS BISD GRADUATES

Riverfest—Same Story, Different Day

Once again recent heavy rains have forced Riverfest organizers to reschedule the second annual mud run. Although we have had dry weather the past week the ground is so saturated that equipment still can't be brought in to construct the course and the river has washed up a lot of debris that is blocking part of the course. Organizers considered cancelling the event due to already postponing the date once but many of the runners that caught wind of talk about cancelling spoke up and asked us to just reschedule the

event again. The Chamber has located a 100 acre track just outside the city with trees and water and on higher ground so we are officially rescheduling Riverfest to September 12th. The new tract of land will allow there to be more mud pits. Much more information will be coming soon.

Chamber to Co-Host Baseball Tournaments

In an effort to bring people outside of Chandler to visit our City and support our member businesses, the Chamber has teamed up with IBT (Independent Baseball Tournaments) to host several baseball tournaments once the BMC ball season is over. These events bring in up to 30 teams on a Saturday and Sunday of which the majority are from out of town. Stay tuned for more details.

Concession Worker's Appreciation

The Chamber would like to thank Board members Jim Moffeit, Nancy Bertholf and Sherri Herrington and City Councilwoman Janeice Lunsford for volunteering to help man the Chamber concession stands at Winchester Park. Their selfless efforts is what makes the Chamber the great organization it is. Your assistance is greatly appreciated.
